PIECING INSTRUCTIONS

A. Make the block center: Refer to the Cutting Instructions to identify pieces listed in parenthesis below.

- Q1.** Make two with red focal square (C). Corners are white with red dots (E.2).
- Q2.** Make eight with red focal square (C). Corners are white with black dots (G.2).
- Q3.** Make four with black focal square (B). Corners are red with white dots (H.2).
- Q4.** Make four with black focal square (B). Corners are red with black dots (I.2).
- Q5.** Make six with white focal square (A). Corners are black with white dots (F.2).
- ❖ **To add the corners to Focal Unit Q, sew the 2 1/2" squares along the diagonal as follows:**
Draw a diagonal line on the wrong side of each 2 1/2" square. Place a square of the same fabric on each corner of the focal fabric, right sides together, with the diagonal lines positioned as shown (Figure 1). Stitch on each diagonal line. Trim 1/4" away from the line. Press toward the outside of the unit. Repeat to make twenty-four Focal Units.

❖ **Construct curved units using freezer paper appliqué as follows:**

1. Trace appliqué Templates 1 and 2 onto freezer paper, at least eight times each. Cut freezer paper along the traced lines.
2. Use the 2 3/4" polka dot strips for the curved appliqué. For each strip, press two freezer paper Templates 1 and two freezer paper Templates 2 to the wrong side of the polka dot fabric. Align the edge of the freezer paper templates with the edge of the fabric strip, and leave at least 1/2" between the templates.
3. Cut the polka dot fabric approximately 1/4" from the curved edge of the templates as shown in Figure 2.

Figure 2 Note: Appliqué 1 has squared off ends.

4. Press the curved edges of the polka dot fabric over the freezer paper (Figure 3).

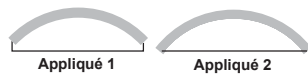

Figure 3

Tip: Brush a small amount of starch on the curved edge before pressing to help the fabric hold the crease. Spray the starch into a small cup in order to apply with a brush.

❖ **Make the following quantities of Appliqué 1 and Appliqué 2:**

White with red dots (E.1): four of each (Appliqué 1 and Appliqué 2)

White with black dots (G.1): sixteen of each

Red with white dots (H.1): eight of each

Red with black dots (I.1): eight of each

Black with white dots (F.1): twelve of each

5. Remove freezer paper from Appliqué 1.

1. Pin or baste to the 2 3/4" x 8" rectangles of background fabric (Figure 4). Refer to B., R1-R5, to make the correct semicircle and background combinations. Hand or machine appliqué in place.

Figure 4

C. Finish the Block R construction:

1. Sew Appliqué Unit 1 to the top and bottom of Unit Q using a 1/4" seam allowance (Figure 5).

2. Press toward the block center (Figure 6).

3. Remove freezer paper from Appliqué 2.

Note: Each Appliqué 2 will be appliquéd after the backgrounds have been sewn to the blocks.

Pin appliqué to the sides of the unit

(Figure 7), right sides together, and matching the curve of Appliqué 1. Place the 4 3/4" x 12 1/2" rectangle of background fabric, with the right side of the background fabric facing the wrong side of the appliqué (Figure 8). Pin, and sew, using a 1/4" seam allowance. Press toward the center of the block. Hand or machine appliqué in place.
